****A note from the Principal****

- **NO** cupcakes at lunch for birthdays. Non-edible items are preferred due to food allergies and religious concerns. If you want to acknowledge birthdays, within the class, contact the teacher.

Hi, I hope everyone has had a good summer. My name is **Kim Williamson** and I'm your Reading Coordinator for this year. I have two children, one at BES and one at the High School. I'm so excited to get our children reading this school year. I am proud to say that many of our students participated in this year's Summer Reading Program at the Library.

Now a little more about our reading program here at BES. We have scheduled a free book give away in March during Read Across America Week. I will be collecting gently used books during the school year. We will take any books, particularly, for grades 3-5. You can drop them off at the BES library. Attn: Kim Williamson

We would appreciate any help with our reading program this year that you could provide. If you have any questions please contact me at wllms9617@gmail.com or 901-581-1295.

We will be selling the City Saver coupon book with free mobile app again this year raise funds for our school. The City Saver books cost only \$25, and include "buy one, get one free" and "50% off" discounts at your favorite local restaurants, attractions and shopping.

The free mobile app gives you additional savings. More importantly, by purchasing a City Saver book, you are helping us meet our goals while also helping a great cause, our kids! Each student will receive one book to use as an example. If you don't sell any, simply return the book and owe nothing.

The books and prize information should come home on August 15th. If you have any questions, feel free to contact me anytime. I also post updates on the Bartlett Elementary PTO Facebook page. If you aren't a member, check it out.
