- Many thanks for all of your support in seeing your child become a great reader!!

BEST Families,

If you have any box tops, please send them in to your child's teacher. They will be collected this month. Many teachers use box top money to replace damaged supplies, restock their classroom libraries, buy educational materials for the kiddos in their class, etc. Thank you for your help and support!

PTO Membership

It's not too late to join, and it's only \$5.00!

Did you know that all the membership money stays at BES?

Did you know that the PTO helps fund the STEAM program and the after school clubs? If you haven't already joined, please do so now. Grandparents and other family members are welcome, too!

Save the Date

The Panther Prowl – November 21st
Details To Be Announced

As you may know, we are only allowed two 30 day fundraising periods per year as a non-profit organization. With our first fundraiser, my goal was to save you money with coupon books and allow you to get a free book if you sold five or more, saving you even more money. We were able to raise \$31,400 and because we get to keep 50%, \$15,700 will stay at our school! The other half goes to pay for the coupon books.

Our next fundraiser will be our 4th Annual Panther Prowl. We keep 100% of any money donated to use at our school. Many businesses have funds set aside in their budgets for charitable donations because they can write it off on their taxes. I will have letters that you can use in your packets if you think your employer or a business that you frequent would be willing to donate and get their logo on our Prowl shirts. Packets will go home soon. **Turn in dates will be 10/25 – 11/01 and we will Prowl on 11/21.** All parents are invited to come Prowl with us! If you have any questions or suggestions, feel free to email me at tspencer@bartlettschools.org.

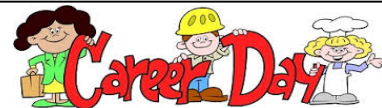

Thank you for another successful year of collecting money for Lebonheur Children's Hospital. Bartlett Elementary has participated in this event for 12 years. This year, as we have on so many other years, we collected many coins and dollars! Great Job little Panthers!

Are you an attorney, truck driver, chef, computer specialist, nurse, doctor, farmer, mechanic or hair stylist? If so, please contact me directly at rcrutchfield@bartlettschools.org. You might be just the person I am looking for to participate in our career day (date TBD). Sharing your profession at career day is a wonderful way to expose our children to new and exciting career choices they didn't know about.

-Mrs. Crutchfield

Mark your calendars for **October 23-27st**. That's when we will celebrate **Red Ribbon Week** and **Healthy Choices Week**. This a time when we talk to our students about the importance of living drug-free and healthy lives. During this week, we wear theme day outfits to show our strength in numbers about the importance of keeping our bodies healthy and free of drugs. Keep an eye out for the "theme" days to be posted on our school's website.
