School Counselor SPOTLIGHT

My name is **Mrs. Crutchfield** and I am your child's school counselor. I would like to welcome all new and returning students and families to our school. I am here to help your child have a successful school year. During the month of August I visited classes and introduced myself to students. I shared my role in the school as a counselor. If you need me, feel free to make an appointment by calling **901.373.2610**.

We held our **100 Mile Club** Celebration Party in the gym on August 29, from 2:00 – 2:30. Sixty six of our students in grades 1 – 5 turned in their summer calendars showing at least 100 miles of activity during the summer. These students are now members of our **100 Mile Club** and our party celebrated their activity during the summer. We had a special guest from USA Karate lead our activities during our party time. Congratulations to all of these students!!

BES would like to welcome Mr. Forbes to our school. He will be teaching ART classes along with Mrs. Swanger. Although Mr. Forbes is new to BES, he's has been teaching art for 9 years. He's also a proud panther parent whose children attend BES, so his family is already a part of our community. The fine arts department is overjoyed to have Mr. Forbes on the team. Welcome Mr. Forbes!

We are wrapping up our City Saver fundraiser and I will post the final totals and top sellers on the Bartlett Elementary Facebook page. We are still waiting on a few students to buy or return their book. Thank you to everyone that participated.

We will have our 4th annual Panther Prowl in November. If you have a business in mind that you think may want to sponsor our Prowl, I have sponsor letters available. All corporate sponsor donations count toward the student's total for prizes. Corporate sponsors may donate money or prizes.

You can email me with any questions or suggestions.
