

# BES Title I School-Wide Program

## What is Title I?

- Eligible to any school with **40%** or more students on free and reduced lunch
- **BES is currently at 22%. In order to keep these funds, we need all who are eligible to apply to have the most accurate numbers. There is still time! We love the additional funding that comes with being a Title School!**
- Allows students who qualify to have **free or reduced lunch and breakfast** (no obligation to use services daily) as well as **field trip fund assistance** and **supply waivers**. Even if parents do not choose to use the meal benefits now or need the benefits now, they are available when & if needed!
- Benefits include more than free and reduced lunch. The program comes with a **significant** amount of **federal money** to pay for instructional items & personnel.
- Funds are used to serve **ALL** children to increase academic achievement.
- Goal= to assist students in achieving grade level standards in **reading/language arts** and **math** and **closing the achievement gap** between all students
- Our **Annual Survey** gives all parents the chance to weigh-in on how funds are spent.
