Dec. 21<sup>st</sup> – Jan. 3<sup>rd</sup>

## Clinic Corner

The peak of the cold and flu season is upon us. To prevent widespread flu in the school, we recommend that your child stay home from school if experiencing flu or cold symptoms. To decide whether or not to send your child to school, please consider our BCS guidelines as listed on the pdf you may download by clicking the headline. Keeping a sick child at home will minimize the spread of infections and viruses in the classroom. Thank you in advance for helping make this year at school as healthy as possible.

## Café News

If you have not filled out a Free and Reduced Lunch Form application, you still have time. You can pick them up in the cafeteria or the front office. Benefits include free/reduced lunch and breakfast, field trip assistance, and a significant amount of funding for the ALL students at BES.
