Bartlett Elementary School PTO

AmazonSmile is a website operated by Amazon that lets you enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when you shop on AmazonSmile (smile.amazon.com), the AmazonSmile Foundation will donate 0.5% of the purchase price to the eligible charitable organization of your choice.

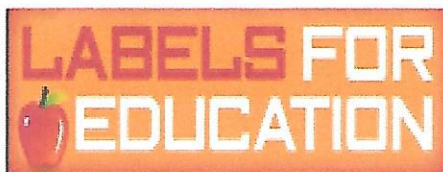

On your first visit to AmazonSmile (smile.amazon.com), you need to select a charitable organization to receive donations from eligible purchases before you begin shopping. We will remember your selection, and then every eligible purchase you make at smile.amazon.com will result in a donation.

You can register at www.boxtops4education.com to print coupons and keep track of our school's earnings. Simply clip Boxtops and send them in. You don't have to glue them to a sheet. Our Boxtop Coordinator submits them in baggies of 50. Write your teacher's name on the baggie to insure they get credit for your Boxtops. Twice a year, your teacher will receive the money to spend in the classroom.

You can enter the codes from Coke products on the website, www.mycoderewards.com or use their mobile app. They have a limit of 25 codes per week. After you enter the codes, scroll to the very bottom of the page and click on MCR for Schools to donate your points to Bartlett Elementary. They send the school a check quarterly. If you can't enter codes yourself, send the caps or flaps from the cartons to the school and we will enter them for you!

As of August 1, 2016, only UPCs with the Labels for Education logo will be accepted and redeemed for points into registered schools' bank accounts. They have begun the process of removing the logo and

expect there will be a limited number of products that contain these labels in stores through August 1, 2017. Once all Labels for Education logos have been removed from the products, UPCs will no longer be accepted. The banked points schools have accumulated will not be affected.

There is a donation bin in the front hall of the school under the Yearbook display where you can donate used toner cartridges. They can be the little cartridges from personal printers or big ones from laser printers. When the bin is full, we take it to Cartridge World and he buys them. That money goes straight to Bartlett Elementary School.
