

Follow Your Tweacher!

#Basic Info

Twitter is a service for friends, family, and coworkers to communicate and stay connected through the exchange of quick, frequent messages. People post Tweets, which may contain photos, videos, links, and text. These messages are posted to your profile, sent to your followers, and are searchable on Twitter search.

#Sign Up

All you need to use Twitter is an internet connection or a mobile phone. To create a Twitter account on the web go to <https://twitter.com/signup>
To create a Twitter account on your mobile device download the Twitter App.
For more information visit <https://help.twitter.com/en/create-twitter-account>

#Tweet

A Tweet is any message posted to Twitter which may contain photos, videos, links, and text.

#Following

Following someone means you've chosen to subscribe to their Twitter updates. When you follow someone, every time they post a new message, it will appear on your Twitter Home timeline. When you create an account, you can search for people by name or username.

#Hashtag

A hashtag—written with a # symbol—is used to index keywords or topics on Twitter. This function was created on Twitter, and allows people to easily follow topics they are interested in.

#Benefits

There are many benefits to following your child's teacher and classroom account on Twitter

- You can view events in the classroom in real time
- You will have talking points to initiate conversation with your child
- You'll never miss out on daily events in the classroom
- You can stay up to date on the curriculum and activities
